REINKE'S GREASE-LESS PIVOT BEARING

INDUSTRY EXCLUSIVE

Made from a strong, durable, nonmetallic material, the Maintenance-Free bearing is guaranteed to be the center of attention - thanks to its innovative design. Unlike a standard pivot center bearing, there's no grease to be cleaned up and replaced. True to its name, the Maintenance-Free Bearing saves growers time and money and offers peace of mind through enhanced durability and longevity.

- The industry's first and only maintenance-free bearing.
- The only pivot center on the market that doesn't need to be greased.
- Made of nonmetallic material.

STOP GREASING YOUR PIVOT CENTER

Other pivot center bearings use grease with a metal bearing to reduce friction. The Maintenance-Free Bearing has a low-friction, nonmetallic insert that stays put and, unlike grease, is not compromised by high or low temperatures. The patent pending design includes outer and inner tubes and a nonmetallic, load-bearing insert. Together, they create the world's first and only Maintenance-Free Bearing on the market.

- Requires no grease and no annual maintenance.
- Made with a nonmetallic material, reducing friction for smooth rotation and uninterrupted movement.
- Eliminates grease spill and dirt buildup around the pivot center.
- Carries a high load capacity and increases system longevity, durability and reliability.
- Designed to last a lifetime, saving you time and money.

AVAILABILITY

- Available on all new Reinke systems with 8-inch pivot bearings.
- Available as a retrofit for existing Electrogator II pivot centers that fit 8-inch bearings.
- Not available in 4 1/2-inch and 10-inch pipe options.

MEET OUR NEW STORE MANAGER

Davey Steinman Store Manager

Meet Davey Steinman, our new store manager!

You may recognize Davey from his past roles here at FSI. He started working on our build crew in 2010 after graduating from Chippewa Hills High School and he also worked as an assistant in our parts department while attending Montcalm Community College.

In 2016, he went to work for Lakeside Motor Sports but returned to FSI in April of 2018 as a build crew member.

Davey lives near Mt. Pleasant. In his spare time he enjoys spending time with family and friends, especially his nieces and nephews, and riding dirt bike and 4 wheeler.

OVERHEAD AR/AS SPECIAL

Now is the time to update that old, unreliable pipe stop on your system to a new Reinke overhead Auto Reverse/ Auto Stop mechanism!

1. Overhead stop with A/R and electrical

****Requires Reinke panel equipped with A/R****

\$740.00

2. Overhead stop with A/S and electrical

****Works on all Reinke systems - can be retrofitted to other brands****

\$460.00

3. Overhead stop assembly without electrical

****Use your existing A/R or A/S switch****

\$325.00

You have this...

Time for this!

CLASSIFIEDS

CADMAN 4000S (USED)

- 4" x 1100' hose
- Honda engine drive
- New Komet Twin 202

\$23,000

GE ELECTRIC MOTOR (USED)

- 40 Hp holo shaft electric motor
- Recently reconditioned
- Consignment sale

\$1,250

BERKELEY B4EPBMS (USED)

- 75 Hp electric motor/pump
- 3600 rpm
- 850 gpm @ 121 psi
- New impeller and seals

\$ 6,900

BERKELEY B1-1/2 TPM 7.5 HP PUMP (NEW)

- 120 gpm @ 65 psi
- 240v single phase
- 2" NPT suction/1-1/2" NPT disc.
- Includes Alderon custom control panel

\$2,000

Excellent large garden pump!

KIFCO B140G 1.4" X 350' (NEW)

- 100'-189' width/400'-449' length
- Water reel w/SR75 gun, 24 deg x 1.5

\$9,239.22

- Booster pump 5.5 hp w/mtg kit
- Kit, pneumatic tire/wheel upgrade

\$3,285.97

\$201.16

CAPRARI PTO PUMP (NEW)

- Caprari D3/65 PTO pump w/ cart
- 4" check valve
- 4" NPT suction and discharge
- 500 gpm @ 130 psi

\$5,950

KIFCO B180 (USED)

- Serial No. 350857B50
- 1.8" X 380' Hose
- Irrigated Width 105' - 221'
- Irrigated Length 432' - 490'

\$6,000

KIFCO B200 TRAVELER (USED)

- 2.0" x 450' Hose
- PTO Kit
- Nelson SR100
- Irrigated width approx. 200'
- Irrigated length approx. 570'

\$8,000

INJECT-O-METER PUMP (USED)

- W/hose kit and cord
- IOM3-30 Simplex
- New in 2016

\$975

VERTICAL HD PLASTIC TANK (USED)

- 1100 gallons
- New in 2016

\$600

PIVOT WHEELS & TIRES (USED)

- Various sizes
- Various conditions

CALL FOR PRICING

BERKELEY LTH-3 SELF PRIMING PUMP (USED)

- 480v 3 phase
- 80 gpm @ 38 psi
- New motor
- Approximately 350 hours

\$1,300

Since 1968, Reinke has maintained an important lead in the ongoing development of mechanized irrigation technology and design. Reinke's standards are designed to meet the detailed demands of farming and the operator. Exceeding your expectations of quality, service and innovation has

EMPLOYEE SPOTLIGHT

Bo Studley **Build Crew Member**

Bo Studley is the newest member of our build crew.

Bo graduated from Central Montcalm High School in 2017. He went to work for Mersen USA in Greenville shortly after graduation where he worked for a little over 3 years before coming to work for FSI in November of last year.

Bo is the son of Rocky and Missy Studley.

In his spare time, Bo likes to hunt and fish and spend time with his girlfriend, Bre.
